**FSC®**

**Certificazione della catena di custodia che garantisce la provenienza della materia prima da foreste gestite nel rispetto di rigorosi standard ambientali, sociali ed economici.**

**FSC®**

FSC® chain of custody (CoC) tracks FSC® certified material through the production process - from the forest to the consumer. FSC® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

**FSC®**

Certification de la chaîne de contrôle qui assure l'origine de la matière première de forêts gérées conformément à rigoureuses normes environnementales, sociales et économiques.

**FSC®**

Certificación de la cadena de custodia que garantiza el origen de la materia prima desde bosques manejados en el respeto de estrictos estándares ambientales, sociales y económicos.

## Passion for quality woodfloor

**L**a I.P.F. produce, dal 1990, pavimenti pregiati in legno massello o stratificati, caratterizzati da alte performance prestazionali (finitura antibatterica, antimacchia, ignifuga) e declinati in infinite soluzioni estetiche, anche personalizzabili. La qualità delle nostre collezioni e la versatilità delle nostre finiture ci hanno consentito, nel tempo, di operare stabilmente a supporto di importanti brand nel settore dell'arredamento (**Pedini cucine**), dell'arredo bagno (**Devon & Devon**), dell'interior design (**Armani Casa, Philippe Starck, Cavalli, Versace**, ecc.) oltre a diverse collaborazioni con aziende produttrici di piastrelle, marmo, cuoio, ecc.

**S**ince the beginning in 1990, IPF produces solid and 2 or 3 layers engineered wood floorings matching research, creativity, tradition, care of details and gaining a leading role in prestigious wood floorings market and satisfying demanding clientele focused on high design and customization.

IPF's collections have been thought to mix and match with the most leading names of luxury furniture (**Pedini cucine**), bathroom furniture (**Devon & Devon**), interior design (**Armani Casa, Philippe Starck, Cavalli, Versace**, etc.), marbles, stones, ceramics and mosaics.

## MADE IN ITALY

Tutte le finiture delle collezioni IPF sono realizzate a mano in Italia (made in Marche) dai nostri artigiani.

La gamma Smart Solution è prodotta in Italia ed in Europa.

All IPF collections' finishes are handmade in Italy (Marche) by our craftsmen.

Smart Solution range is made in Italy and in Europe.

Toutes les finitions des collections IPF sont fabriquées à la main en Italie (Marche) par nos artisans.

La gamme Smart Solution est fabriquée en Italie et en Europe.

Todos los acabados de las colecciones IPF son realizados en Italia (Marche) por nuestros artesanos.

La gama Smart Solution es producida en Italia y en Europa.

**D**epuis 1990, IPF produit parquets de haute qualité en bois massif et multicouche, caractérisés par le haut niveau de prestation ( finition antibactérienne, antitaches et ignifuge) et par l'infinie variété de déclinaisons esthétiques, aussi personnalisables. La qualité de nos collections et la versatilité des nos finitions nous ont permit, dans le temps, de collaborer de façon continue avec d'importantes marques du secteur mobilier (**Pedini cucine**), de la décoration de salle de bains (**Devon & Devon**), décoration d'intérieur (**Armani Casa**, **Philippe Starck**, **Cavalli**, **Versace**, etc.) sans oublier les collaborations avec divers producteurs de carrelage, marbre, cuir etc.

**D**esde el año 1990, IPF fabrica pisos de madera de diseño en madera solida o multicapas. A través de los años, IPF se ha caracterizado por mantener un elevado nivel de calidad, ofreciendo acabados antibacterianos, resistentes a las manchas y al fuego. IPF cuenta con una gran variedad de acabados, así como la opción de crear cualquier piso a la medida. La calidad de nuestras colecciones y la versatilidad de nuestros acabados nos han permitido trabajar de manera continua con importantes marcas del sector de diseño (**Pedini cucine**), decoración de baño (**Devon & Devon**), decoración interior (**Armani Casa**, **Philippe Starck**, **Cavalli**, **Versace**, etc.) asimismo con fabricantes de baldosas, mármol, cuero etc.

La nostra produzione si caratterizza inoltre per l'utilizzo di supporti che, unitamente al trattamento superficiale, ne rendono possibile l'utilizzo anche in sala da bagno, nautica, ecc.  
La nostra gamma è composta dai seguenti brand:

#### **I.P.F.**

Pavimenti esclusivamente realizzati a mano e personalizzabili sia nelle nuance sia nella brillantezza/opacità.

#### **I.P.F. SMART SOLUTION** (divisione *contract*)

Soluzioni tecnicamente evolute con finitura industriale 7 mani UV, olio UV o finitura artigianale effetto cera o olio naturale. Pavimenti in grado di soddisfare anche esigenze strettamente ancorate a un eccellente rapporto qualità/prezzo (*contract*).

#### **TOUCH by I.P.F.**

Il concept bagno di I.P.F., composto da pavimento, consolle e piatto doccia.

#### **LEONARDO**

Brand destinato a un livello altissimo di design e ricercatezza. Leonardo è sinonimo di progetti su misura, intarsi, abbinamenti tra legno e cuoio, cachemire, jeans, madreperla, metallo e pavimenti trattati con resine naturali:

- Leonardo by IPF      LE RESINE
- Leonardo by IPF      I METALLI
- Leonardo by IPF      TRACCE
- Leonardo by IPF      LASER
- Leonardo by IPF      IPF per...

**Gioielleria privata** (Tirana, Albania)

**Grand Hotel Et des Palmes - Luxury Hotel** (Palermo, Italia)

**Riyadh McKinsey Project** (Riyadh, Arabia Saudita)

Our production is also characterized by the use of supports which, together with the surface treatment, make our wood floorings suitable for bathroom, boating, etc.  
Our range consists of the following brands:

#### **I.P.F.**

Floors made exclusively by hand and customizable both in color shades and gloss.

#### **I.P.F. SMART SOLUTION** (contract division)

Our industrial product combining Italian design and German technology.

Not customizable, but available in UV cured finishes (PU and Oil), natural oil and wax effect.

#### **TOUCH by I.P.F.**

The bathroom as a mix of textures, colours and sensations, coordinating with consoles and shower trays.

**LEONARDO** is our newborn creation oriented to high-end design and refinement.

Leonardo means customized projects, parquetry, combination between wood and leather, cashmere, jeans, mother-of-pearl, metals and floors treated with natural resins:

- Leonardo by IPF      LE RESINE
- Leonardo by IPF      I METALLI
- Leonardo by IPF      TRACCE
- Leonardo by IPF      LASER
- Leonardo by IPF      IPF for...

<p>Date received: 02-05-11 Date of test: 05-05-11 Date of issue: 09-07-12</p>				
<p>Sample name: Linea chic.</p>				
<p><b>Cross-cut test UNI EN ISO 2409:2007</b></p>				
<p>Sample preparation and conditioning: done by the customer. Handy single blade cutting tool.</p>				
<p>Test results:</p>				
Spacing between cuts	Classification 1st zone	Classification 2nd zone	Classification 3rd zone	Coating thickness
1 mm	0	0	0	from 0 to 60 µm hard support
2 mm	0	0	0	from 0 to 60 µm soft support
2 mm	0	0	0	from 61 to 120 µm soft/hard support
3 mm	0	0	0	from 121 to 250 µm soft/hard support
<p>Classification: 0 no coating detached 1 less than 5% of coating detached 2 5-15% of coating detached 3 15-35% of coating detached 4 35-65% of coating detached 5 over 65% of coating detached</p>				
<p>Notes: - Chemical analysis of the tested material was not carried out. - The test was carried out with all spacing cutting tools since the coating thickness was not measured.</p>				
<p>COMMENTS NOT COVERED BY ACCREDITATION: - Results obtained with 1 mm spacing cutting tool are more predictive of defects that may occur when in use.</p>				
<p>This document replaces the previous one with the same reference and with date of issue 06/05/11.</p> <p>This document is validated by digital signature and time stamping in accordance with the Italian laws and the European Directives which regulate the electronic signature systems.</p> <p>Managing Director Dr. Andrea Givron</p>				
<p>The sample name and, when relevant, its description, are given by the orderer, and CATAS does not assume responsibility on this matter. This test report relates to the sample submitted for the test and no others. Additions, deletions or alterations are not permitted. This test report must always be reproduced in its entirety. Unless otherwise stated, sampling has been carried out by the orderer. pag. 1/1</p>
